Purchase **Software & Maintenance Subscription**

Best value (lowest total cost of ownership)

Benefits

- ▶ Technical support
- ▶ Access latest software releases

Purchase **Desktop Subscription**

Lowest cost of entry

Benefits

- ▶ Technical support
- ▶ Access latest software releases
- ▶ Reduced risk
- ▶ Flexible choice
- ▶ Easy to scale up and down

Maintenance Subscription

Maximise your software investment and cost-effectively maintain your Delcam perpetual software license on an annual basis. Benefits:

- ▶ Use the latest and most powerful software available
- ▶ Immediate access to new software releases and product enhancements
- ▶ Local support in your own language
- ▶ Best value package, offering the lowest total cost of ownership

Ongoing maintenance subscription is only available if you have a current maintenance contract with Delcam.

Desktop Subscription

License software on a short-term or as-needed basis to suit your business requirements. Benefits:

- ▶ Choose between quarterly and annual options for using Delcam software products
- ▶ Scalable licensing options for easy management of project and staffing needs
- ▶ Lowest cost point of entry
- ▶ Avoid up-front license investments or long-term investment commitments
- ▶ Treat Desktop Subscription as an operating expense by billing the cost back to your clients

Protect Your Investment

Your machine tools are an expensive investment and it is essential that they perform as efficiently as possible. The CAD/CAM software that helps you run those machines is under continuous development, making your programmers and machine tools more productive.

Avoid Costly Re-Training

Software development moves rapidly with new features and functions added in every release. With two major releases a year, as well as intermediate patches, it does not take long to become out-of-date and need complete re-training.

Get Help and Support

What happens when you hit a problem? With a Maintenance Contract, help is just a phone call or email away, in your own language, from your local Delcam Sales Partner. Delcam's Support Engineers are located at more than 80 offices worldwide and have thousands of man years of experience between them.

Documentation

Receive all relevant documentation free of charge, as soon as it is available. In particular the detailed "What's New" booklet that accompanies every new release will keep you fully up-to-date with all the latest tools and how to use them.
